**Active Family or Single Membership \$25:** Anyone over the age of 18 must pay individual dues of their own, (they are not included in a family membership).

**Secondary Membership \$15:** If you already have a primary membership with another club, but would like to join County Line Sno Busters, please write the name of your primary club below. This is only \$15 because we do not send \$10 to the AWSC that your primary membership already covered.

Your current AWSC/club membership will include a monthly subscription to the *Wisconsin Snowmobile News Magazine* (Sept-March) and a \$3,000 Accidental Death & Dismemberment Benefit (American Income Life) policy for the primary member (listed above) and his/her spouse. There is also a benefit of **\$3,000 for each child under the age of 19**. This is for any accident resulting in death or dismemberment, it is not just snowmobile related. Please turn in your completed membership form and payment as soon as possible to ensure coverage!

The AWSC and DCCSC are dedicated to the success of Wisconsin snowmobiling and work for safe and responsible snowmobiling throughout the state. Web sites are [www.danecountycouncilsnowmobileclubs.com](http://www.danecountycouncilsnowmobileclubs.com) and [www.awsc.org](http://www.awsc.org)
